INTRODUCTION

The Campus Event and Club Management System allows users within a university environment to manage event participation and club activities efficiently. This system provides separate roles and functionality for general students and club organizers.

GENERAL USERS

REGISTER

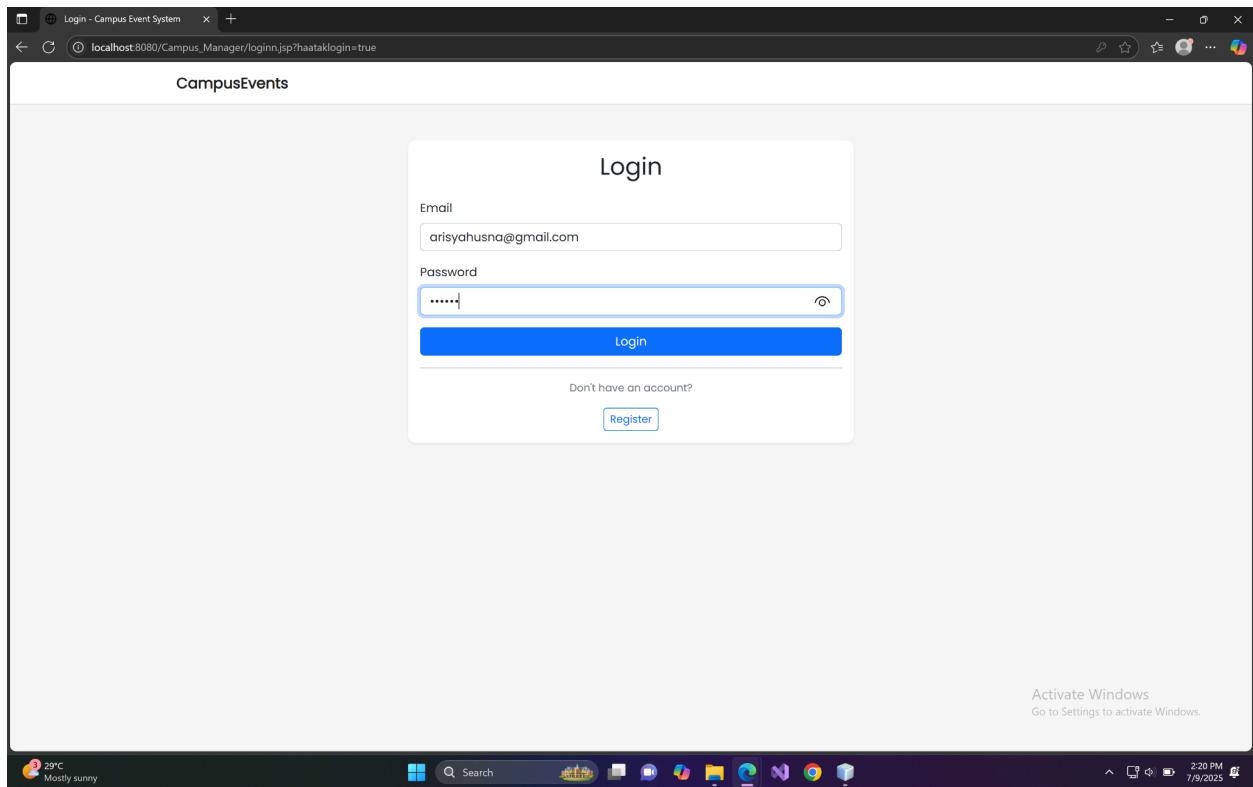

The screenshot shows a Windows desktop environment. A browser window titled "Login - Campus Event System" is open at the URL "localhost:8080/Campus_Manager/register.jsp". The page displays a registration form with the following fields:

- Email: "Enter your email"
- Name: "Enter your full name"
- Course: "Select your course" (dropdown menu)
- Select Club: "Multimedia Club" (dropdown menu)
- Group: "Enter your group"
- Part: "Enter your group"
- Phone Number: "Enter your phone number"
- Password: "Enter your password"
- Confirm Password: "Confirm your password"

A large blue "Register" button is located at the bottom of the form. In the top right corner of the browser window, there is a message: "Activate Windows Go to Settings to activate Windows." The taskbar at the bottom of the screen shows various pinned icons and the date/time: "2:13 PM 7/9/2025". The system tray indicates the weather as "29°C Mostly sunny".

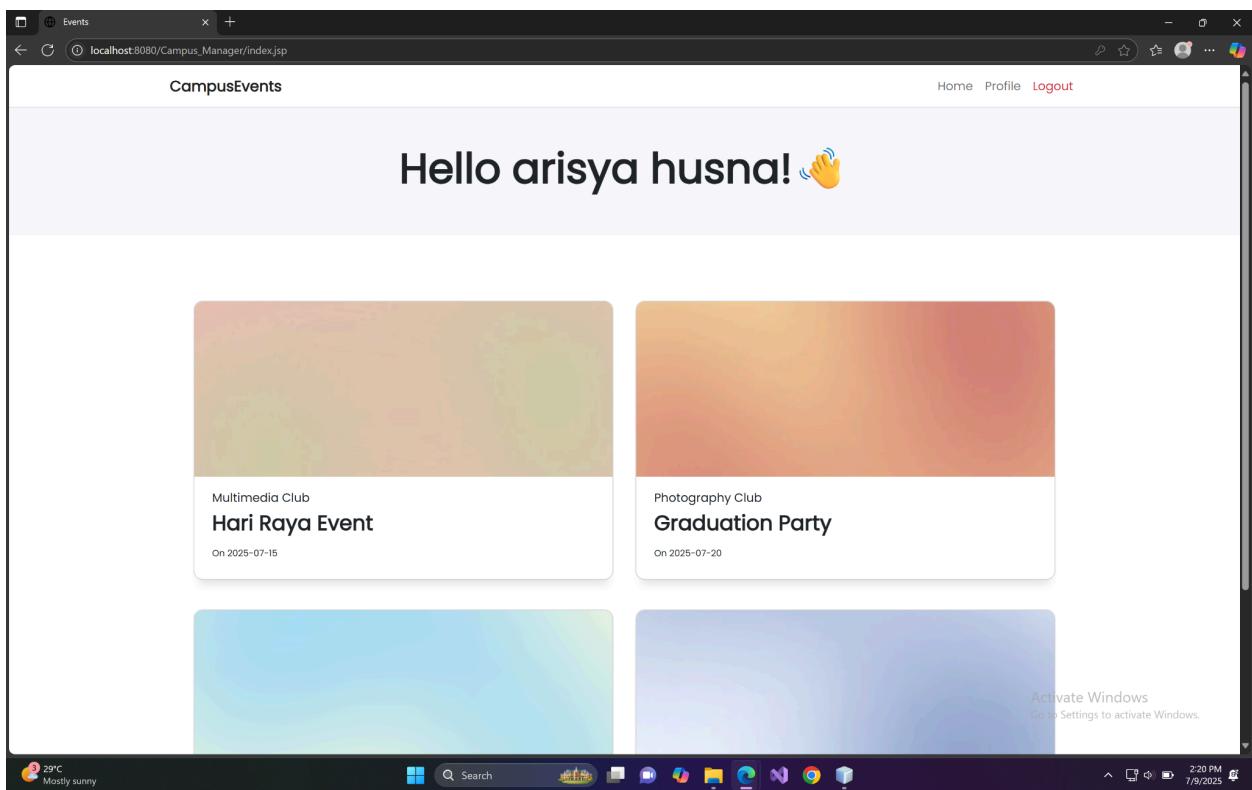

1. Open the registration page.
2. Fill in required information such as:
 - Email
 - Name
 - Course
 - Club
 - Group
 - Part
 - Phone Number
 - Password
3. Click “**Register**” to create an account.

 - **Event Date**
 - **Event Description**
 3. Click “**Create Event**” to publish it to the homepage
- Once created, the event will appear on the homepage and under your **Organized Events** in the **Club Management** section.

PROFILE

The screenshot shows a web browser window titled "Student Profile" with the URL "localhost:8080/Campus_Manager/profile.jsp". The main content area is titled "CampusEvents" and displays a profile for "Dayang Zahira" from the "Photography Club". The profile includes the following details:

- Name: Dayang Zahira
- Club: Photography Club
- Role: Organizer
- Course: Software Engineering
- Part: 2
- Group: SE2B
- Phone: 0134567890

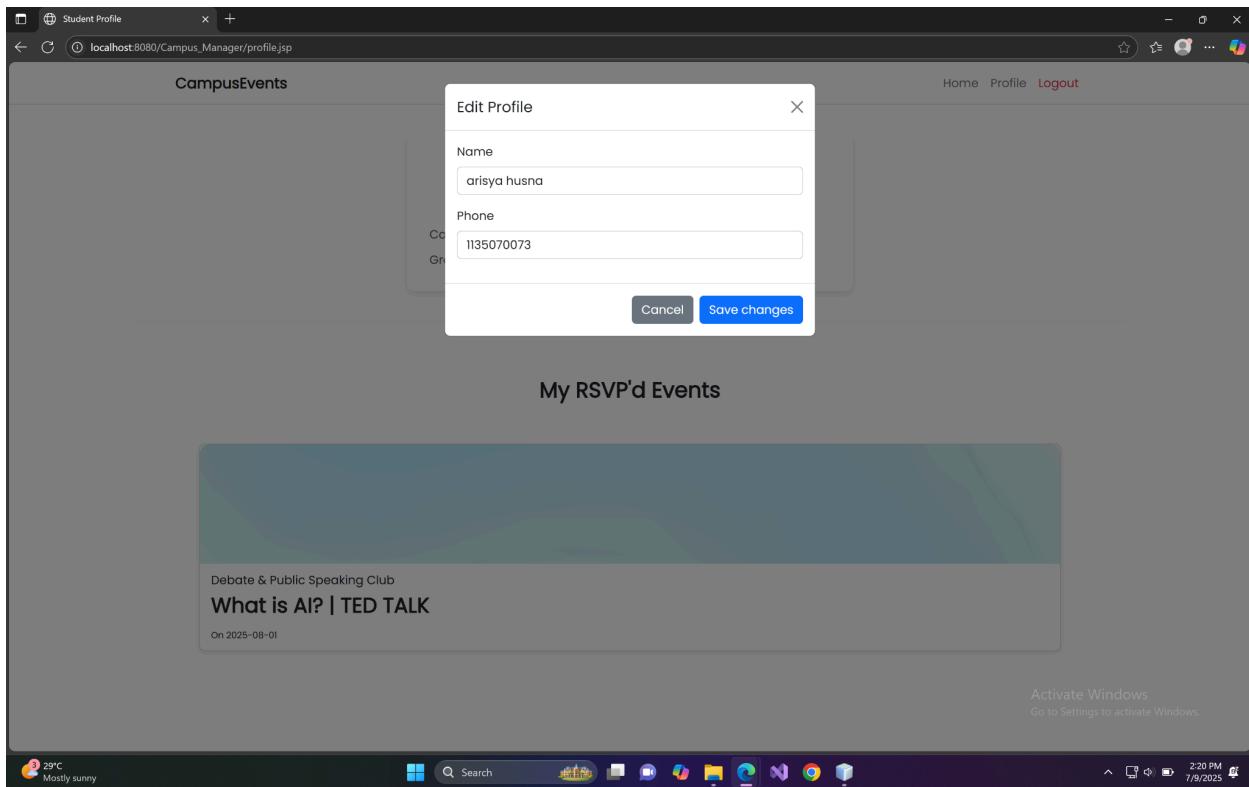

Below the profile, there is a section titled "My RSVP'd Events" which lists an event from the Photography Club:

- Event: Graduation Party
- Date: On 2025-07-20

The Windows taskbar at the bottom of the screen shows various pinned icons and the current date and time (11:11 AM, 7/10/2025).

1. Click the “**Profile**” button from the top navigation menu to view your organizer profile.
2. The profile displays:
 - Your **user information**

EDIT PROFILE

1. On the Profile page, click "**Edit Profile**"
2. You may update the following fields:
 - o **Name**
 - o **Phone Number**
3. Click "**Save Changes**" to apply your updates.

The edit profile feature works the same for both organisers and general users.

CLUB MANAGEMENT

The screenshot shows a web browser window titled "Club Management" at the URL "localhost:8080/Campus_Manager/ClubManagement.jsp". The page has a header with "CampusEvents" and navigation links for "Home", "Create Event", "Club Management", "Profile", and "Logout". The main content area is titled "Photography Club Management" with a user icon. Below it is a sub-header "Manage your club members and organizers". A table titled "Club Members" lists one member: "Arisya Husna" (Student ID 7), "Computer Science" course, and "Member" role. Actions for this row include "Remove" and "Promote". Below the table is a section titled "My Organized Events" showing a single event: "Graduation Party" on "2025-07-20". The event description is "Celebrate graduates with food and music." and the attendees are "Ari Bin Ahmad" and "Dayang Zahira". The bottom of the screen shows a Windows taskbar with various icons and a weather widget indicating "29°C Mostly sunny".

This section allows organizers to manage their club members.

Top Section – Club Members Table:

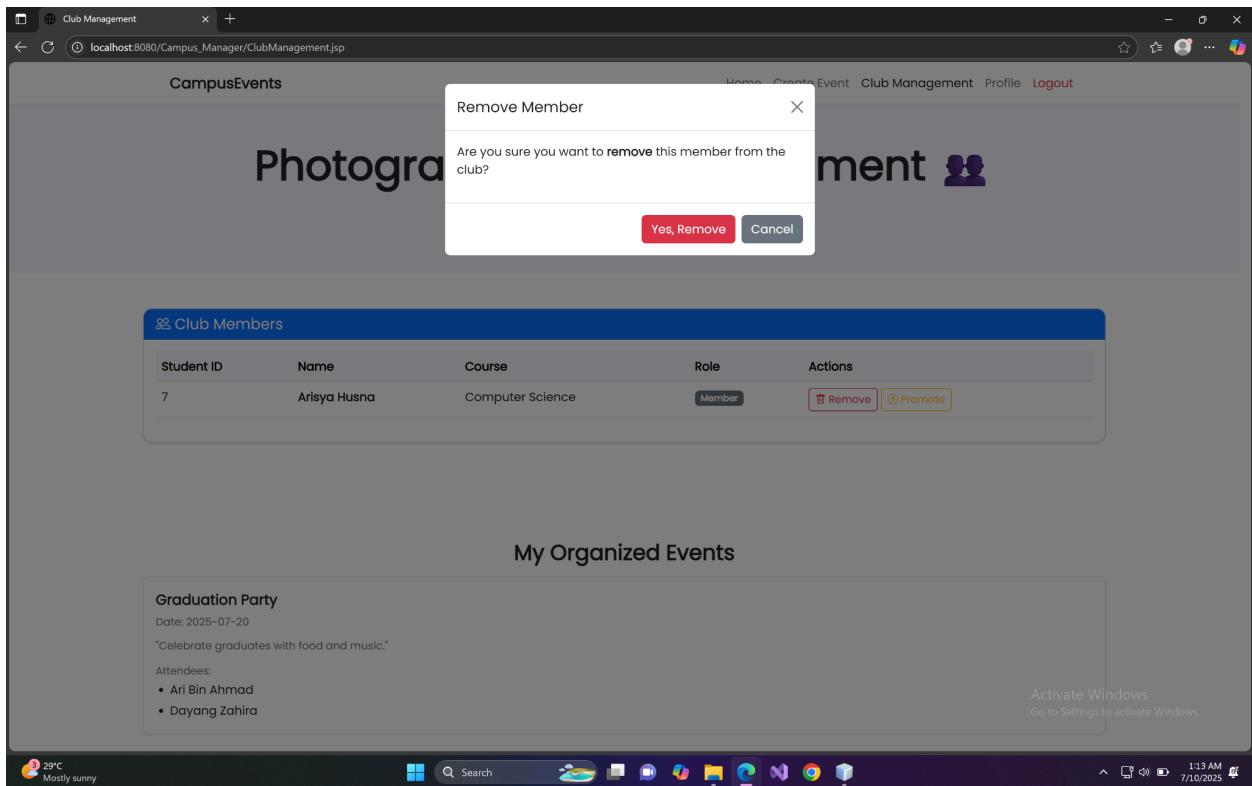

1. Displays **Student ID**, **Name**, **Course**, **Role**, and **Actions**
2. Actions include:
 - **Remove** – to remove a member from the club
 - **Promote** – to upgrade a member to an organizer

Bottom Section – My Organized Events:

3. Displays all events organized by the user with date, description, and list of attendees
4. Hovering over member rows or events will reveal actions like “Remove”, “Promote”, or “Delete”
